

288 SOUL OF MAX UNDER
SOCIALISM

have no further place. It was a great work,
but it is almost
over. Its sphere lessens every day.
Nor will man miss it. For what man has
sought for is,
indeed, neither pain nor pleasure, but simply
Life. Man has
sought' to live intensely, fully, perfectly. When he
can do so
without exercising restraint on others, or
suffering it ever, and
his activities are all pleasurable to him, he will be
saner, healthier,
more civilized, more himself. Pleasure is
Nature's test, her
510:11 of approval. When man is happy, he is in
harmony with
himself and his environment. The new
Individualism, for
whose senice Socialism, whether it wills it or not,
is working,
will be perfect harmony. It will be what the
Greeks sought
for, but could not, except in Thought, realize
completely,
because they had slaves, and fed them; it will be
what the
Renaissance sought for, but could not realize
completely except
in Art, because they had slaves, and starved them.
It will be
complete, and through it each man will attain to
his perfection.
The new Individualism is the new Hellenism.,
